

This Girl Can Debbie Hassell – Red Cliffs Golf Club

Deb discovered golf around the time she retired from work as a PE teacher. An active sportsperson over many years she soon got hooked on the game. Whilst she continues to work on her skills, it is in administration that Deb found her niche. She joined the match committee and served as captain at Red Cliffs but also put her sport management skills to good use at the district level, joining the MDGA committee.

She remains very active; swimming, working out at the gym, walking and jogging to keep fit for health, golf and the occasional bushwalk.
