Sports Medicine Australia is a multi-disciplinary organisation which works to enhance the health of all Australians through safe participation in sport, recreation and physical activity.

Why become an SMA Level 1 Sports Trainer?

The sports trainer plays an important role in ensuring the safety and wellbeing of participants at sporting clubs. Being a Level 1 Sports Trainer provides an opportunity to upskill in the prevention and management of injuries and qualify to become a Sports Trainer Member with SMA. The participant can then advance their skills and progress to a Level 2 Sports Trainer after gaining industry experience.

Course information

This course will recognise you as an industry accredited sports trainer, providing skills on how to prevent and manage injuries on and off the sporting field. Industry accreditation from this 8-hour course is the standard requirement to work as a sports trainer in many of the country's sporting codes. Learn from skilled presenters on the topics of:

- Preventing sports injuries
- Principles of injury management
- Sports taping
- Sports nutrition
- Transporting the injured athlete
- Common sporting illnesses, injuries and medical condition
