Teika Collins – Sunraysia Dirt Karters

My name is Teika Collins and I have been racing go-karts at Sunraysia Dirt Karts for 8 seasons. I started when I was seven years old, following the lead of my two older cousins, Shelby and Kelsey Allen, and my older brother Tavis. I had always wanted to race since I first saw my brother get into the go-kart, but was considered too young. So, after an important conversation and decisions with the club, the president (also my father) I started up in Sub Juniors, the youngest class starting at seven years old. My youngest cousin Chloe, seven, has just started her first season and is loving it.
